Try to reuse existing vacant buildings Around Helena. Too many sitting empty and unused!

SUPPORT GRASSROOTS

Replant Gardens in under-used areas

Need better parking solutions for downtown. Look @ Placer.

Need more accessible, consistent, and connected active transportation routes, add bike lanes, slow roads, reduce complete streets policy

Permit parking creates problems - encourage parking in structures!

bike lanes

Old building renovations need city support.
- Grants
- Tax credits

STRATEGIC BIKE ROUTES

When adding new housing make sure city services are provided - traffic enforcement to = property taxes collected. Constant speeding between Custer and North Benton corridor due to Happy Homes development. Very little police patrolling

Every successful vibrant downtown I have seen is built on an infrastructure & significant residential density. The time, money, & ingenuity for decades, more people to go downtown!! It's the venue question.

Please incorporate open space planning as the city grows. IMY, GEN

Get rid of the "beg buttons!" Walk signs should automatically illuminate NOT FEASIBLE

Create an investment tool (mutual fund?) so that we can invest in local businesses instead of out-of-state companies

Reduce or eliminate parking minimums

Require all new developments to have sidewalks and street trees

Don't allow development in flood plains

Senior list station North & Tenn to allow development/immigration

HEAD! Community Garden HEAD! Eastside Park

Helena and other communities should work aggressively to bring rail service (the former Amtrak Southern Route) to provide regional and national travel options.

Helena should have a Food Policy Council to improve access to good, local, food

Fold in recommendations of Helena Conservation Advisory Board.

Establish a minimum LEED rating required for new commercial construction and major renovations NOT FEASIBLE

Adopt more stringent energy code for new residential and renovations MORE

Helena Needs a indoor pool! Helena Regional Sports Association is working hard to build a sports center for Helena that will serve all people in the Helena Area. Plans are to build the center on the YMCA site. Please support our vision! Helena is the only State Capital in the country that Does Not have an indoor competitive Pool.

Great idea for downtown
