

Public Meeting

City of Helena Concept Study for:
Neill Avenue/Helena Avenue/Cruse Avenue/Last Chance Gulch Intersection
(Last Chance Gulch Corridor Gateway Project)

The City of Helena is hosting a public meeting for the Neill Avenue / Helena Avenue / Cruse Avenue / Last Chance Gulch intersection study. The purpose of the meeting is to present preliminary options to improve vehicular operations and accommodate pedestrian and bicycle users at the intersection. Options under consideration include a “no build” option, a conventional signalized intersection option and a roundabout option. No decisions have been made at this time.
