INVITATION TO BID – REQUEST FOR QUOTATION STANDARD TERMS AND CONDITIONS

Competition

The City of Helena encourages free and open competition among bidders. Whenever possible specifications, bid invitations and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the City's needs and the accomplishment of a sound economical operation. The bidder's signature on this proposal guarantees that the prices quoted have been established without collusion with other eligible bidders and without effort to preclude the City of Helena from obtaining the lower possible competitive price. The award will be made to the lowest responsible bidder meeting specifications and all bid terms and conditions. The City of Helena has established a local preference procedure of awarding bids to the lowest responsible bidder who is a resident of Lewis and Clark County, Montana, and whose bid is not more than 3% higher than that of the lowest responsible bidder who is not a resident of Lewis and Clark County, Montana as defined in City of Helena Ordinance No. 2430. In all instances, Montana-made goods must be preferred for use in all projects if such goods are comparable in price and quality.

Preparation of Bids

Bids will be written in ink and/or typewritten on bid forms furnished herewith. Erasures and alternations must be initialed by the bidder in ink. Telegraphic bids will be accepted only if they fully comply with all other conditions in the Invitation to Bid. No verbal bids shall be accepted. Bid quotations will be firm for thirty days, unless otherwise stipulated by bidder.

Bid Items

The bidder warrants articles offered to conform to the specifications herein requested, to be fit and sufficient for the purpose manufactured, of good material and workmanship and free from defect.

Special Brands

Brand name items or descriptions used in this proposal are specified solely for the purpose of indicating standards of quality, performance and/or use desired. Any bid offering goods or sources which deviate from the specifications must be clearly indicated by the bidder, otherwise it will be considered that the bid is in strict compliance with all terms and conditions. Substitutions must be identified by manufacturer and stock number and complete descriptive literature must be included with the bid. Goods delivered which do not conform to the contract terms, conditions or specifications may be rejected and returned at the vendor's expense. Any bid for foreign produced products shall be so indicated and the source of supply noted for each item.

Packaging

No charges will be allowed for packing, wrapping, bags, containers, reels, etc., unless otherwise stipulated. All items shall be packed in accordance with prevailing commercial practices and in such a manner as to ensure delivery in good condition and as specified herein.

Delivery/Shipping

Goods shall be prepaid, F.O.B. destination. In the event the contract terms specify f.o.b. shipping point, shipping charges will be prepaid and itemized as a separate item on invoicing. Such shipments shall be via the least expensive common carrier unless otherwise stipulated. The City of Helena reserves the right to reject any C.O.D. delivery.

Cash Discount

Bidders may quote a cash discount, provided it is based on a period of twenty (20) days or more. A shorter period will not be considered in determination of a low bid. Any cash discounts as part of this contract will be computed from the date of receipt of a properly executed claim or the date of completion of delivery of all items in satisfactory condition, whichever is later.

Excise Taxes

The City of Helena is exempt from Federal Excise Taxes. Exemption certificates will be furnished upon request.

Acceptance/Rejection of Bids

The City of Helena reserves the right to accept or reject any or all bids, wholly or in part, to make awards in any manner deemed in the best interest of the City.

All or None Proposals

Bidders may submit alternate proposals on an "all-or-none" basis, but are requested to submit a primary quotation on an item-by-item basis to be considered for either type of award.

Bid Determination

Low bid shall be determined by the Base Bid less Cash Price or Trade-in for City of Helena equipment.

Tabulation

In the event that a quotation is entered in which the unit price and extension do not agree, the unit price shall prevail.

Non-Discrimination

In accordance with federal and state laws, the bidder agrees not to discriminate against any client, employee or applicant for employment or for services, because of race, creed, color, national origin, sex or age with regard to, but not limited to, the following: employment upgrading, demotion or transfer; recruitment or recruitment advertising; lay-offs or termination; rates of pay or other forms of compensation; selection for training; or rendition of services.

It is further understood that any vendor who is in violation of this clause shall be barred forthwith from receiving awards of any purchase from the City of Helena unless a satisfactory showing is made that discriminatory practices have ceased and the recurrence of such acts is unlikely.
