

Non-motorized Travel Advisory Council

Meeting Time and Location:

Second Tuesday of every month, 5:00 PM, in Room 309 of the City-County Building.

Mission Statement:

To enhance and expand the walkability and bikability of Helena through the development of a safe, convenient and accessible network of corridors that serves to improve connectivity, promote alternatives to motorized travel, and enhance Helena's appeal as a healthy, pedestrian and cyclist-friendly place to live and play.

Our initial goals include advising the City Commission on the following items:

- Improve the safety of walking and cycling.
- Improve accessibility and promise use by all Helenans, including persons with disabilities, etc.
- Encourage walking and cycling as alternatives to driving, and as a means of commuting.
- Promote Helena as a pedestrian and cyclist-friendly place to live and visit.
- Connect destinations through a network of non-motorized travel corridors.
- Educate the public on the benefits of non-motorized travel, and the rights and responsibilities of pedestrians, cyclists, and motorists.
- Improve the convenience of walking and cycling.
- Promote healthy lifestyles by creating convenient opportunities for physical activity.
