1275 MAPLE STREET SUITE F, HELENA, MT 59601 | 406.443.3962

The City of Helena will provide solid waste collection services for each lot within the subdivision. Each single-family lot will be responsible for contracting with the City of Helena for a receptacle and service. All solid waste collection will occur within proposed street rights-of-way for single-family residential. Each multi-family lot will have designated areas for solid waste containers, see attached map for locations. Locations will be off private internal roads designed per City of Helena requirements to ensure proper access.
