1275 MAPLE STREET SUITE F, HELENA, MT 59601 | 406.443.3962

The applicant has worked with the local USPS to determine the best locations for neighborhood box units. Three locations were identified, one at the intersection of Livezey Avenue and Hauser Boulevard, one at the intersection of Brakeman Boulevard and Park Drive, and one at the intersection of Flowerree Court and Park Drive. No pull outs are required for the proposed units. The units would be provided within the boulevard between the sidewalk and the street for easy access. See included location exhibit and correspondence with the USPS.
