Derek, I apologize, I thought that I had responded to you already. Those locations will work for us to service them. I do want to verify that you will be putting in the locked boxes (CBU's) for the delivery.

Thanks,

Hi Brent,

Do you need any additional information on this? If possible, we are looking to finalize our mail collection design this week which requires the Postmaster's approval.

Thanks,

Derek

Hi Brent,

Location 1 would serve 7 Living Units

Location 2 would serve 31 Units

Location 3 would serve 32 Units

Please let us know your thoughts.

Thanks,
