A RESOLUTION OF INTENTION TO ESTABLISH FEES TO BE CHARGED FOR PARK USE AND RECREATION SERVICES AND PROGRAMS IN HELENA CITY PARKS

WHEREAS, the City of Helena's Parks and Recreation Department has developed a comprehensive methodology for establishing park use and recreation activity fees; and

WHEREAS, it is the desire of the Commission to provide a connection between the types of uses that occur in City parks and the fees that are charged in relation to the City's cost of providing services and those who benefit from the use or service; and

WHEREAS, park use and recreation activity fees are based on a methodology of combining cost-recovery principles, community benefits, comparative rate pricing, and actual costs; and

WHEREAS, in an effort to recover costs, a portion of the park use and recreation activity fee revenues will be deposited into a "park improvement fund" for the development and improvement of park and recreation facilities and services; and

WHEREAS, it appears to be in the best interests of the City of Helena, Montana, and the inhabitants thereof, that the Helena City Commission hold a public hearing on the proposed fees.
