WHEREAS, a work plan and budget for fiscal year 2019 was submitted to the Helena City Commission by the Board of Trustees for the District on May 21, 2018;

District, is approved.

Section 2. The City of Helena hereby levies an assessment upon all property within the District for fiscal year 2019 to defray the costs of said work plan and budget. The City Commission finds that the benefits derived by each lot or parcel are disproportional, and therefore pursuant to §7-12-1133(1)(f), MCA, intends to set rates for each classification based on the criteria below. The assessment rates for lots or parcels within each classification are proposed as follows:

a. Private Property. For each lot, tract or parcel, or group of lots, tracts or parcels aggregated for a single residential or commercial use, including accessory parking, and owned privately ("assessed property"):

1. \$400 per assessed property, plus;
2. \$0.02 per square foot of land area of assessed property; plus
3. 2.00% of the taxable value of assessed property.

Excluded from the assessment are lots, tracts, or parcels that are vacant with no habitable improvements and not used for commercial purposes.

b. Public Property. For each lot, tract or parcel, or group

of lots, tracts or parcels aggregated for a single use, including accessory parking, and owned by a public entity, such as federal, state, county, city, school district and quasi-public entities ("public property"):
