

EXHIBIT A – MECHANICAL FEES

Mechanical Permit Fees: The fee for each mechanical permit shall be set at one hundred (100%) percent of the following fee schedule.

The mechanical cost shall be the cost to the owner of all labor charges and all mechanical materials and equipment installed as part of the mechanical system. The cost of the plumbing system, as covered by the Uniform Plumbing Code, is not to be included. Gas piping costs for a mechanical permit shall be charged in like manner according to the plumbing fee fixture schedule when gas piping or modifications are needed on a project for which no plumbing permit is otherwise required, or when the project plumber is not responsible for the installation of the gas pipe. In such instances installation shall be by a licensed gas fitter per Title 3-5 of City Code or by the homeowner in the case of the owner's own dwelling as allowed in state law.

<u>Cost of Mechanical System:</u>	<u>Fee</u>
0 - \$1000	\$42.00
\$1001 - \$10,000	\$42.00 for the first \$1000 plus \$14.00 for each additional 1000 or fraction thereof up to and including \$10,000
\$10,001 - \$50,000	\$168.00 for the first \$10,000 plus \$7.00 for each additional 1000 or fraction thereof up to and including \$50,000
\$50,001 – and up	\$448.00 for the first \$50,000 plus \$4.00 for each additional 1000 or fraction thereof.

The fee for a requested mechanical inspection shall be \$56.00 provided that such service is not in excess of one (1) hour in duration. For each thirty (30) minutes or fractional part thereof in excess of one hour the fee shall be \$28.00. The fee charged for a requested mechanical inspection shall be charged at one hundred (100) percent of the rate found in the paragraph.
