

Mechanical Addenda Items for Helena Fire station #1 Upgrades
Addendum #2
6/25/2025

Prior Approvals:

The following items have been submitted and reviewed as being equal to the specified items. The contractor and supplier shall be responsible for fit, function, capacities and all other requirements in the contract documents for these products. Individual products must still meet the requirements in the plans and specifications and will be reviewed during the submittal process. Any required changes as a result of this review process shall be provided at no additional cost to Owner.

<u>Specification/Item</u>	<u>Item</u>	<u>Manufacturer/Supplier</u>
Cabinet Heaters	CH-1,2,3	Airedale
