RE: Recommendation on Continued Virtual Public Participation in Commission Meetings

Offered by Dylan Klapmeier, Chair- passed unanimously

In response to the COVID-19 pandemic, the City of Helena is conducting City Commission meetings virtually through the online meeting platform Zoom. This allows greater public participation in City Commission meetings by allowing the public to participate from anywhere that they have an internet connection. The HCC recommends that after regular in-person City Commission meetings resume, the City continue to offer virtual options for public participation in Commission meetings.
