the District and attached hereto as Exhibit "A," and levy an assessment upon all property within the District for the fiscal year 2023 to defray the costs of said work plan and budget. The City Commission finds that the benefits derived by each lot or parcel are disproportional, and therefore pursuant to § 7-12-1133(1)(f), MCA, intends to set rates for each classification based on the criteria below. The assessment rates for lots or parcels within each classification are proposed as follows:

A. Private Property. For each lot, tract or parcel, or group of lots, tracts or parcels aggregated for a single residential or commercial use, including accessory parking, and owned privately ("assessed property"):

1. \$425 per assessed property, plus;
2. \$0.03 per square foot of land area of assessed property, plus;
3. 3.00% of the taxable value of assessed property.

Excluded from the assessment are lots, tracts, or parcels that are vacant with no habitable improvements and not used for commercial purposes.

B. Public Property. For each lot, tract or parcel, or group of lots, tracts or parcels aggregated for a single use, including accessory parking, and owned by a public entity, such as federal,
