	<i>Description: Demolition Permit Description</i>						
	<i>This demolition permit is being obtained to allow the project to begin limited exterior demolition work while architectural and engineered plans are currently in process of receiving final engineering review and stamped approval.</i>						
	<i>Scope of demolition work to include:</i>						
	<i>No utilities are present or connected to the structure.</i>						
	<i>Removal of existing roof canopies and awnings.</i>						
	<i>Removal of exterior siding and trim.</i>						
	<i>All work is limited strictly to non-structural exterior demolition at this time.</i>						
	<i>No structural framing or structural components will be removed under this demolition permit. Additional permits will be obtained upon completion and approval of engineered and stamped construction plans.</i>
