

**Rodney Street Project, Phase II 9th to Helena Ave.
Public Questions and Answers
July 13, 2022**

1. Does the City think it will make it up to 13th Ave. this season?
 - a. Yes, the plan is to include 13th Ave.
2. An underground sprinkler was cut while work was taking place and wondering when it will be replaced. Grass also needs to be replaced.
 - a. Northwest Energy will be replacing sprinklers and grass. Dave Knoepke will be contacting them.
3. If we don't have an alley, where should we park?
 - a. We will work with the contractor to get you as close to your property as possible.
4. I love the results of the phase 1 project and would love to see the black streetlights on the intersecting east/west streets.
 - a. It will be the same lighting in this phase as it was in phase 1.
5. Will construction go as far south as 11th Ave. this summer?
 - a. 11th Ave. will likely take place next construction season, depending on how the weather holds this year.
6. Are you able to keep the wood from the tree that has to be removed?
 - a. Tree logs will be chopped and put on the boulevard when the trees are removed. They are for anyone to take.
